About Me

I'm a computer science graduate with over 4 years of teaching experience. I've taught in different institutes, including as an instructor under NAVTTC, where I helped students build strong foundations in IT. Alongside teaching, I've also been working as a freelancer, and handling web development + graphic design projects and solving real client problems. I enjoy sharing what I've learned over the years and helping others grow in this field.

Work Experience

10 Mar 2025 - 10-June 2025
NAVTTC Instructor at Icon Institue
Instructor of Advanced Web App Development
- Delivered lectures on (HTML, CSS, JS, BOOTSTRAP, JQUERY, PHP, MYSQL, AND LARAVEL).
- Trained over 20+ students with hands-on projects like (CRUD Application).
- Assessed student progress through quizzes, assignments, and final projects.
- Mentored students for jobs and freelancing success.

April 2022 - Present
Freelancing
- I'm currently working as a freelancer, offering development and design services. I've successfully completed projects for 40+ clients through Fiverr and LinkedIn, focusing on delivering quality and meeting client expectations.

July 2022 - Nov 2024
Universal Academy Quetta
Computer Teacher
- Taught various IT courses including DIT, ADIT, programming languages, and graphic designing.
- Delivered hands-on training in MS Office, C/C++, HTML/CSS/JS, Adobe Photoshop, and Adobe Illustrator.
- Helped students build strong computer and fundamentals for academic and career growth.

Aug 2017 - Jul 2019
Universal Academy
English Teacher
- I worked as an English teacher for 2 years at a local academy. During that time, I taught grammar, spoken English, and writing skills to students of different levels.
